

Benefits of the Helpful Village Zoom Module

Sharing Zoom meeting links is a bad idea!

**There is no way to
prevent an intruder from
getting in with a shared
Zoom link!**

With the Zoom Module, the intruder can be stopped, because every registrant is given a unique link, that can be managed from Zoom.

Better security with Zoom Module: Personal links

You can cancel the link of someone that looks suspicious

**With the Zoom module,
attendees names are always
correct, because Zoom will
connect their personal link with
the name they used to register
for the event in Helpful Village**

Comments:

Organizer Notes:

Recommended Equipment for Class: - a sturdy chair without armrests - a mat - a yoga strap (although you could also use their bathrobe, belt or a long scarf) - a blanket to sit on - a yoga mat would be great if you have one - a resistance band, 5ft or 6ft one would be great DO NOT WORRY if you don't have these items!! You can still participate! They are just recommendations
